Roman funerary practices

June 3rd, 2020 - Roman funerary practices include the ancient Romans' religious rituals concerning funerals, cremations, and burials. They were part of the tradition of the Latin Mos Maiorum, the unwritten code from which Romans derived their social norms. Roman cemeteries were located outside the sacred boundary of its cities, the Pomerium. They were visited regularly with offerings of food and wine and special rituals.

Funerary representations of Palmyrene women

May 4th, 2020 - The ancient city of Palmyra, which today lies in the desert of modern Syria, was once a flourishing city of trade during the Roman era when Palmyra was at the height of its powers. Several hundred funerary monuments were constructed in the city and within these portraits of Palmyra's inhabitants were once displayed.

Funerary portraits early Christian Wilmington for Christ

April 9th, 2020 - The funerary portrait by contrast was a special kind of image usually produced after death but also occasionally made while the subject was still alive. Meant only as a record of the deceased's physical appearance for posterity, these funerary portraits had a particular ceremonial function in Roman culture and belief.

The Roman Funeral Ancient History Encyclopedia

June 3rd, 2020 - The Roman funeral was a rite of passage that signified the transition between the states of life and death. It was very important to conduct the proper ceremonies and burial in order to avoid having a malicious spirit rising from the underworld while no direct description of Roman funerary practices has been passed down. Numerous ancient sources exist that provide accounts of ancient Roman funerary practices.
